

Driver & Passenger Covid-19 Safety Policy

Academic Families continues to be fully committed to supporting our students travel as safely as possible. Students should not travel if they display any symptoms of Covid-19 and should wear a face mask whenever possible.

Our airport Meet & Greet service will adopt all current Covid-19 safe procedures including driving directly to school or place of quarantine.

Our drivers will take precautions to protect themselves and our students by wearing appropriate personal protective equipment including face masks.

Where possible, all drivers are required to -

- regularly (and between all transfers) clean all customer contact surfaces – eg door handles (inside and out), window controls, grab handles as well as passenger consumables - with sanitising wipes or spray
- regularly clean driver surfaces – eg steering wheel, handbrake, gear stick
- wash hands frequently with soap and water or an alcohol-based sanitiser gel.
- carry hand sanitiser and ask students to sanitise hands before entering the vehicle
- carry supply of bottled water, snacks and tissues for driver and passenger use
- dispose of used tissues/any other waste in their vehicle in the bin as soon as possible.
- keep 2 metres away from students
- only touch luggage if required, in which case sanitise hands before and after
- open the boot for the student to store their luggage
- all passengers are to sit in the back of the vehicle
